PART I · FUNDAMENTALS SHAPE

THE PENTAGON THE FILINGS DRAW

Five axes — each a public-filings ratio — plotted as a single observed shape. The reading is descriptive. No axis ranks names; each compares the subject against the sector median over the trailing five years.

FIG. 1 · FUNDAMENTALS PENTAGON · 5-AXIS

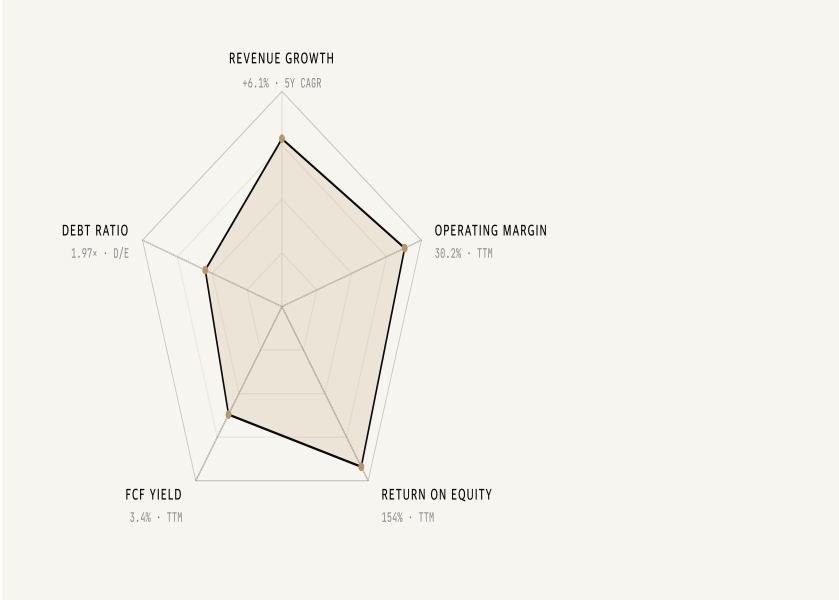

Fig. 1. Values normalised against the GICS sub-industry median over the trailing five fiscal years. The outer ring marks the 75th sector percentile; the inner rings mark 25th, 50th, and 75th.

The shape reads with two wide points — Operating Margin and Return on Equity — and a narrower base at FCF Yield, where the name carries a capital-return tilt relative to its peers. The pentagon as drawn is a historical record of five ratios; it does not score the subject.

Debt Ratio sits near the sector median. The margin of safety on this axis is observed, not assumed. The reading is offered to inform the reader's own due diligence work, not to replace it.

PART II · CHECKLIST LADDER

TEN QUESTIONS, ANSWERED IN FILINGS

Each row is a standard DD question. Answers are the filer's own language, condensed. Flags are observational — green, neutral, or attention — never a directive.

NO.	QUESTION	OBSERVED ANSWER	FLAG	SOURCE
01	Is revenue growth consistent over 5 years?	5Y revenue CAGR 6.1%. Positive in 4 of 5 years.	GREEN	10-K FY25 · Item 7
02	Is operating margin above industry median?	TTM op. margin 30.2% vs sector median 22.4%.	GREEN	10-K FY25 · MD&A
03	Is free cash flow positive in each of the last 3 years?	FY23 · FY24 · FY25 all positive FCF.	GREEN	10-K cash-flow statement
04	Is debt-to-equity below 2×?	D/E 1.97×, at threshold.	YELLOW	10-K balance sheet
05	Has senior management changed in last 12 months?	CFO transition disclosed 2025-11.	YELLOW	8-K 2025-11-12
06	Are SEC filings current (10-K / 10-Q)?	Last 10-Q filed 2026-02-01. Current.	GREEN	SEC EDGAR
07	Is insider activity disclosed in Form 4?	6 Form 4 filings in last 90 days. Net sales.	YELLOW	SEC EDGAR · Form 4
08	Is dividend history consistent?	13 consecutive years of dividend payments.	GREEN	IR dividend history
09	Is total liquidity (cash + ST) adequate?	Cash + ST investments cover 1.9× current liabilities.	GREEN	10-K balance sheet
10	Are segment revenues disclosed by geography & product?	5 geographic · 5 product segments disclosed.	GREEN	10-K segment footnote

Flags are observational shorthand. Green — the recorded answer falls within the question's expected band. Yellow — the answer warrants a follow-up reading at the next filing. Red — the answer falls outside the band. The flag is not a directive.
